California Technology Executive Seminar

Teri Takai

State Chief Information Officer

9/10/2009

What I talked about last year

A light gray outline map of California is centered on the slide. A small gray star is placed on the map, indicating the location of the state capital, Sacramento.

Executive Branch
12 Agencies with 67 Departments
24 Offices, Councils, Commissions and
Boards
8 Constitutional Offices
Approximately 130 CIOs
Estimated 10,000 IT State Employees

What we said we would do

OCIO Report Card One-year Later

IT Strategic Plan	✓
IT Capital Plan	✓
Enterprise Architecture	✓
Program and Project Management Office	✓
Phased-Procurement	✓
Data Strategy	✓
Agency Consolidation Plans	✓
Geographic Information Officer	✓

The New OCIO

Data Strategy

Consolidation Planning/GRP

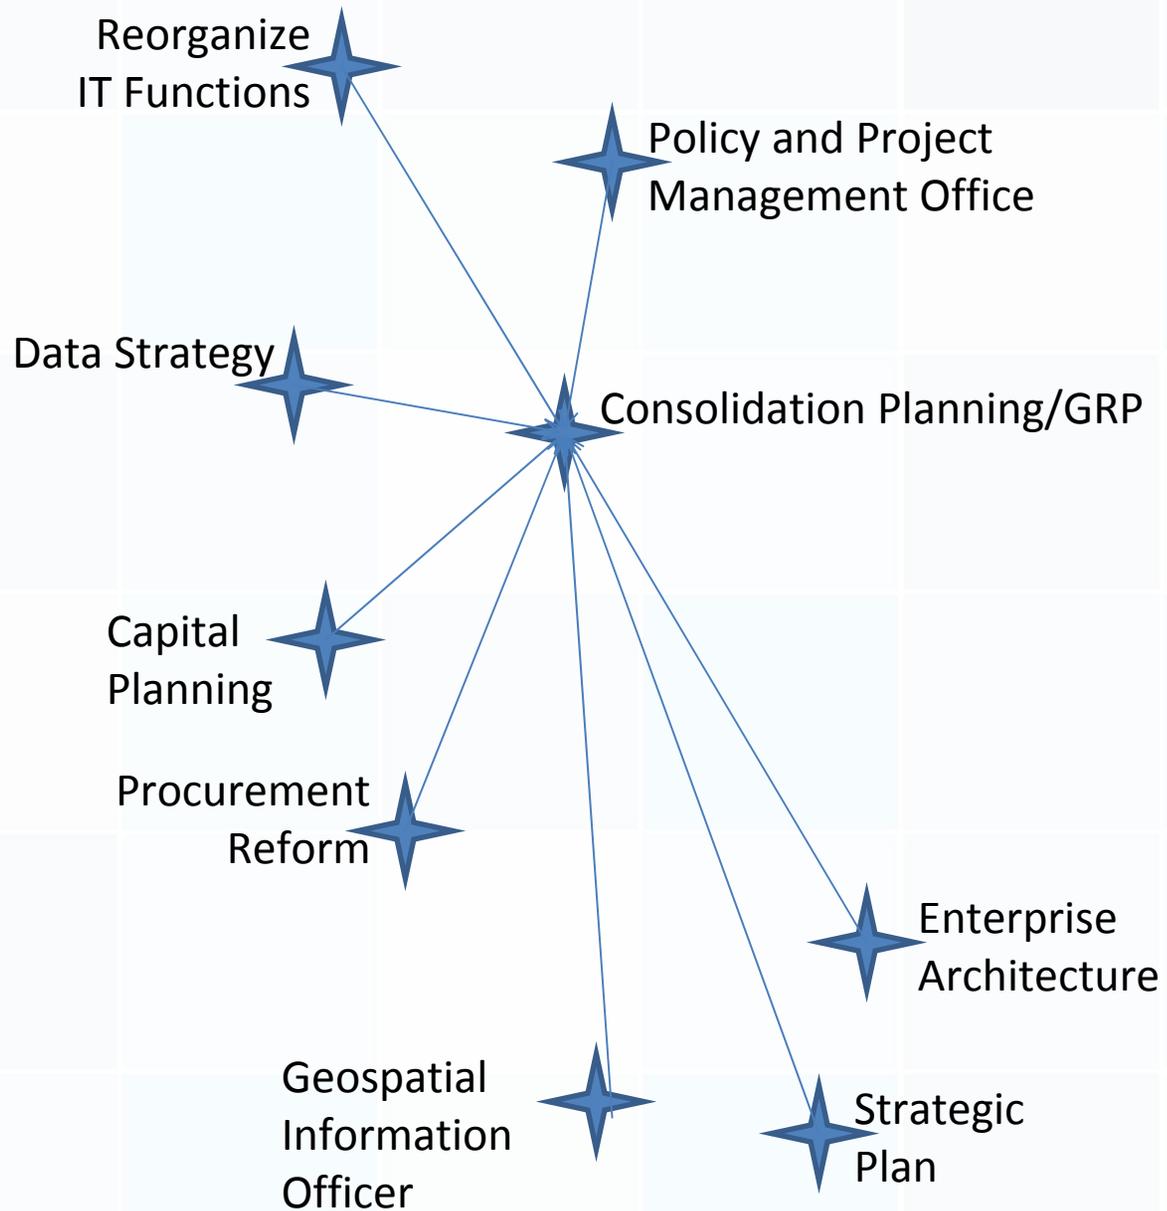

Capital
Planning

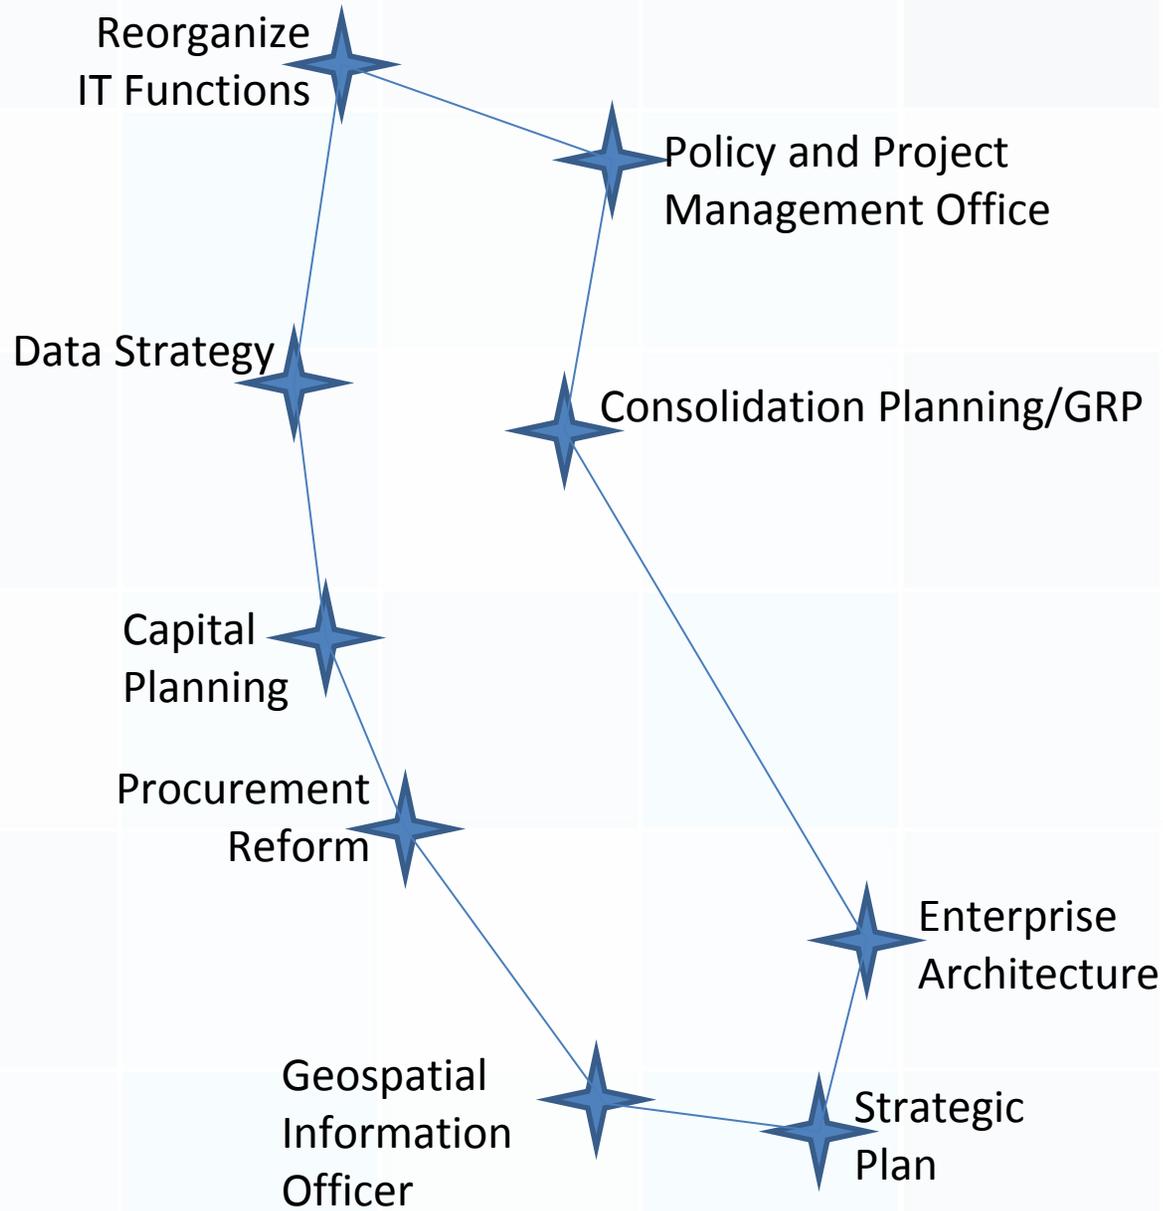

Procurement
Reform

Enterprise
Architecture

Geospatial
Information
Officer

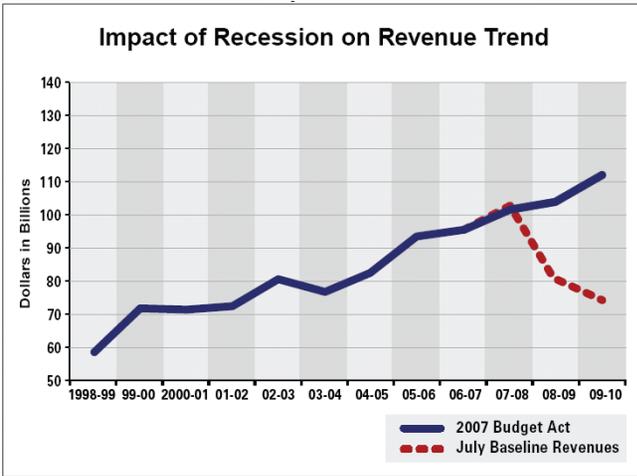

Strategic
Plan

But times are Changing

Fiscal Crisis

Shifting Demographics

Stimulus Dollars

What are the next steps?

Strategies

- IT as reliable as electricity
- Fulfilling technology's potential to transform lives
- Self-Governance in the digital age
- Information as an asset
- Economic and sustainable
- Facilitating collaboration that breeds better solutions

Action Items

- Infrastructure that is reliable, economic, and sustainable
- Government that is accessible and transparent
- Meeting emerging citizen expectations

TOP STORY

Governor Participates in May Revision Budget Roundtable Discussion

5/11/2009 - Governor Schwarzenegger met with local government officials to discuss budget options and impacts on local communities.

[Play Video](#) »

MAY REVISE

Revised Budget Options

5/9 - Our revised budget hinges in part on the outcome of the May 19 special election, and the Department of Finance has been updating our revenue estimates and taking into account new costs, like caseload increases in health and welfare programs that always hit our budget during down economic times. This is the reality of where we are with our state budget.
